Richter      PARTS LIST

- 20      Toilet bowl
- 21      Rear flange of toilet bowl
- 22      Vertical opening in rear flange
- 23      Threaded rod (or bolt)
- 24      First nut
- 25      Second nut
- 26      Third nut
- 27      Bracket (to attach seat assembly)
- 28      Countersink in underside of bracket
- 29      Cap attached to bracket
- 30      Recess in underside of cap
- 30-A   shaped recess in underside of cap
- 31      Opening in bracket to attach to flange
- 32      Bottom surface of bracket
- 33      Upper surface of flange
- 34      Hole in bracket to attach seat
- 35      Second rod
- 36      Washer attached to second rod
- 37      Bracket
- 38      Bottom nut
- 39      Top nut
- 40      Underside of bracket
- 41      Countersink in top of bracket
- 42      Cap
- 43      Recess in cap
- 44      Flange
- 45      Vertical openings in flange
- 46      Threads
- 47      Bracket
- 48      Cap
- 49      Recess in cap
- 50      Threaded bolt
- 51      Head of bolt
- 52      Countersink in top of bracket
- 53      Tubular insert
- 54      Threads within the insert
- 55      Bolt
- 56      Head of bolt
- 57      Countersink in top of bracket
- 58      Cap
- 59      Recess in cap
- 60      Opening in bracket
- 61      Rod
- 62      Wing nut
